If a demand for international preliminary examination is made, this opinion will be considered to be a written opinion of the International Preliminary Examining Authority ("IPEA") except that this does not apply where the applicant chooses an Authority other than this one to be the IPEA and the chosen IPEA has notified the International Eureau under Rule 66. *Ibis(b)* that written opinions of this line one to be the IPEA and the chosen IPEA has notified the International Eureau under Rule 66. *Ibis(b)* that written opinions of this International Eureau under Rule 66. *Ibis(b)* that written opinions of this International Searching Authority will not be so considered.

If this opinion is, as provided above, considered to be a written opinion of the IPEA, the applicant is invited to submit to the IPEA a written reply together, where appropriate, with amendments, before the expiration of 3 months from the date of mailing of Form PCT/ISA/220 or before the expiration of 22 months from the priority date, whichever expires later. For further options, see Form PCT/ISA/220.

3. For further details, see notes to Form $\operatorname{PCT/ISA/220}$.

NOTESTOFORM PCT/ISA/220

1.

These Notes are intended to give the basic instructions concerning the filing of amendments under Arricle 19. The Notes are based on the requirements of the Patent Cooperation Treaty, the Regulations and the Administrative instructions under that Treaty. In case of discrepancy between these Notes and those requirements, the latter are applicable. For more detailed information, see also the PCT Applicant's Guide, a publication of WIPO.

In these Notes, "Article," "Rule" and "Section" refer to the provisions of the PCT, the PCT Regulations and the PCT Administrative Instructions, respectively

INSERUCTIONS CONCERNING AMENDMENTS UNDER ARTICLE 19

The applicant has, after having received the international search report, one opportunity to amend the claims of the international search report, one opportunity to amend the claims. International application. It should however be emphasized that, since all parts of the international application (claims, no need to file international preliminary examination procedure, there is usually no need to file imendants of the international preliminary examination procedure, there is usually no need to file imendments of the claims under Article 19 except where, e.g. the applicant wants the latter to be publication no need to file imendments of the claims under Article 19 except where, e.g. the applicant wants the latter to be publication. For the publication procedure, in store should be emphasized that provisional protection is attained in some States only.

? bebneme of the method application may be amended?

Under Article 19, only the claims may be amended

During the international phase, the claims may also be americed (or further amended) under Article 34 before the International Pretiminary Examining Authority. The description and drawings may only be amended under Article 34 before the International Pretiminary Examining Authority.

Upon entry into the national phase, all parts of the international application may be amended under Article 28 or, where applicable, Article 41.

When ? Within 2 months from the date of transmittal of the international search report or 16 months from the priority date, " When ? Within 2 months from the officer. It should be noted, however, that the amendments will be considered as having been received on time if they are received by the international Bureau after the expiration of the applicable time limit but before the completion of the transmittal from the probability as having been received on time if they are received by the international Bureau after the expiration of the applicable time limit but before the completion of the technical preparations for international publication (Rule 46.1).

Where not to file the amendments?

The amendments may only be filed with the International Bureau and not with the receiving Office or the International Searching Authority (Rule 46.2).

Where a demand for international preliminary examination has been/is filed, see below.

the " -- Entries by cancelling one or more entire claims. A subling one or more new claims or by amending the text of one or more of the claims as filed

A replacement sheet must be submitted for each sheet of the claims which, on account of an amendment or amendment or amendments, differs from the sheet onginally filed.

All the claims appearing on a replacement sheet must be numbered in Arabic numerals. Where a claim is can-telled, no renumbering of the other claims is required. In all cases where claims are renumbered, they must be renumbered consecutively (Administrative Instructions. Section 205(b)).
